New Year's Party

PRESIDENT'S MESSAGE

Aloha everyone.

Shinnen Akemashite Omedetou Gozaimasu! Happy New Year! We hope you were all able to spend time with family and friends over the holidays and enjoy an abundance of good food and fun. At Mantokuji we are sincerely grateful for the blessings of the many monetary and material donations, and volunteer help and support from our faithful sangha. We are especially mindful of these blessings as we continue to work through our major Fuel Tank and Shoreline Erosion projects. The current repair and prevention work, along with ongoing planning for future long-term solutions reminds us to thank Mantokuji's consultants Linda Morgan (Linda Morgan & Associates), Ken Cheung (Oceanit), and Carrol Takahashi (Oceanit Research Foundation) for their vital support and essential expertise in our efforts to maintain the legacy of Mantokuji.

As you may or may not know, Reverend Hirasawa and his family had to fly home to Japan in early November after receiving news of his father's illness. Sadly, his father, Reverend Sogaku Hirasawa of Jyusho-ji temple in Kanagawa, Japan, died shortly after. Our Rev. Hirasawa has been conducting funeral and memorial services for his father and tending to family affairs these past months and hopes to be back sometime in January or February. In the meantime, Mantokuji, with assistance provided by Bishop Komagata and his staff at Betsuin, will try to conduct our regular schedule of services and activities.

Mantokuji's first services of the year are the New Year's Blessing Service and the O-fuda Yaki Service on Sunday, January 4 beginning at 10:00 am. Please come for a blessing from the Daihannya prayer book or for the burning of any old or damaged religious items. And then we'll celebrate Oshogatsu with our New Year's Party on Sunday, January 25 at 11:00 am. Take care.

Mahalo,

Eric Moto

President, Mantokuji Kyodan

ANNOUNCEMENTS

REVISED JOYA NO KANE SCHEDULE ON DECEMBER 31ST

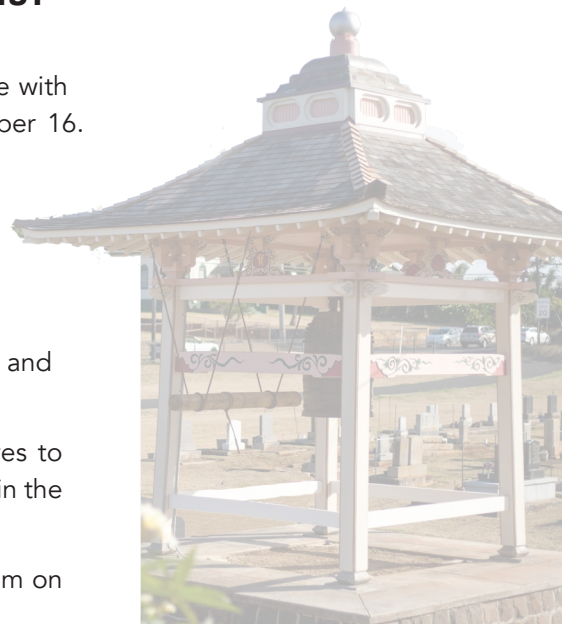

DECEMBER 31, 2025 AT 10:45PM

Sadly, Reverend Hirasawa was called back to Japan in November to be with his ailing father, Reverend Sogaku Hirasawa, who passed on November 16. Therefore, we will not have the midnight New Year's Blessing Service as announced in December's mangan.

Join us for a bowl of soba at 10:45pm on December 31, 2025. This traditional dish symbolizes our hopes for a long and healthy life, as well as our desire to break free from the past. Just as the tough buckwheat crop endures and thrives, we too will gather strength and resilience for the year ahead.

At 11:00pm we will all take turns ringing the temple bell, which serves to cleanse us of the troubles and worries of the past year and to welcome in the new year.

Let's all meet on the temple landing to share a bowl of soba at 10:45pm on New Year's Eve!
